

## Listening A [Track 09]

**Pam:** Hello?

**Tony:** Hi, Pam. It's Tony!

**Pam:** Hi, Tony!

**Tony:** So how's Chicago?

**Pam:** It's fantastic. There's a lot to do here!

**Tony:** Is your hotel good?

**Pam:** Oh, yes. And it's in a great neighborhood.

**Tony:** Really? What's near the hotel?

**Pam:** There are some stores and restaurants, but I love the museums. There are some great ones near here. My favorite is the science museum. And there are some good bookstores, too.

**Tony:** That's great. What about coffee shops? Are there any good ones?

**Pam:** Oh yes. There's a great coffee shop next to the hotel. Every morning I buy the newspaper and go there. I have some coffee, I read the news, and I have a great time. Their coffee is delicious.

**Tony:** Sounds good. So, when's your big meeting at the bank?

**Pam:** At 2:00 p.m. tomorrow.

**Tony:** Is the bank too far?

**Pam:** No, it's near here. It's across from the science museum.

**Tony:** Well, good luck with the meeting!

**Pam:** Thanks! Bye.
