# WHAT'S YOUR NAME?

*(Chorus)*

What's your name?

Where do you live?

What's your address?

I'd like to say, "Hello. How do you do?"

Oh-oh-oh-oh!

I'd like to introduce myself to you.

If I want to talk to you on the telephone,

What number should I call?

I could ask the operator for "Information, please!"

But I don't know your name at all!

*Chorus (2x)*

Let's take a walk on over to my house

And meet my family.

I live in this apartment with

My father and mother,

My sister and brother,

My niece and nephew . . .

There are more, let me tell you!

My uncle and aunt.

I know you think we can't all fit,

But we're a close family, you see.

What's your name? (What's your name?)

Where do you live? (Where do you live?)

What's your address?

I'd like to say, "Hello. How do you do?"

I'd like to introduce myself to you.

I'd like to say, "Hello. How do you do?"

I'd like to introduce myself to you.

# GREAT BIG WORLD

*(Chorus)*

It's a great big world, a great big world!  
Oceans, continents . . . a great big world!  
It's a great big world, a great big world!  
So many places in this great big world!

You can drive from North America  
All the way to South America,  
Take a boat east to Africa,  
Then go south to Antarctica.

You can sail the Atlantic,  
You can take a trip to Europe,  
Go to the Middle East and Asia,  
Sail the Pacific to Australia.

*Chorus (2x)*

Tell me, "What's your native language?  
And what country are you from?"  
We live together in this great big world.  
It's a home to everyone!

## ANOTHER DAY

It's another day . . . woh – woh . . . another day!  
 It's time to work! No time for play!  
 It's another day!

"Good morning! It's time to get up!"  
 The sun shines in my eyes.  
 It's time to brush my teeth, wash my face,  
 Stack the breakfast dishes high!

What clothes should I be wearing?  
 That's when I turn on the radio.  
 I listen to what the weatherman says,  
 And it's off to work I go!

It's another day . . . woh – woh . . . another day!  
 It's time to work! No time for play!  
 It's another day!

Another day . . . woh – woh . . . another day!  
 When one day ends, one begins again.  
 It's another day!

After work I pick up dinner  
 At the local grocery store.  
 Then I go home to my family.  
 They greet me at the door.

We all sit down for dinner.  
 Then we read or watch TV.  
 We take our baths and say goodnight,  
 All sleeping peacefully.

Ringing up the groceries  
Every day til nine.

My list is always very long.  
My cart's filled to the top.

Sally sees me coming.  
She stops and waves hello,  
Standing at her register.  
That's where I always go – o – o!

*Chorus*

She weighs each fruit and vegetable  
On her supermarket scale.  
She enters in the price per pound.  
She knows just what's on sale.

She knows where every item is  
By section and by aisle.

*(Chorus)*

Word by word! Word by word!  
We bring the world a little closer together.  
Word by word! Word by word!  
We discover we're all sisters and brothers,  
Learning about each other . . . word by word!

Saying "hello" with a smile  
Is a language everyone can understand.  
Word by word, we're creating  
A new way for everyone to all join hands.

Look how the earth is getting smaller!  
Now there aren't any far-off distant lands.  
We've become a world of neighbors,  
Sharing hopes and dreams all people understand.
